

Gogo AVANCE L5 Certified on a Full Complement of Gulfstream Airframes

November 28, 2018

BROOMFIELD, Colo., Nov. 28, 2018 /PRNewswire/ -- Quality inflight connectivity has become one of the most important features for passengers traveling on a business jet today. Gogo Business Aviation's (NASDAQ: GOGO) [AVANCE L5](#) system is delivering a 4G experience to hundreds of business jets, including a full complement of Gulfstream aircraft models.

"We're so pleased that Gulfstream has chosen to build on our partnership to invest in these STCs for the AVANCE L5 across multiple airframes," said Sergio Aguirre, president of Gogo Business Aviation. "Gulfstream has a discerning customer base, and the AVANCE L5 system delivers the most robust air-to-ground experience available across North America today. It's great news that the L5 is now available as an install option."

The Supplemental Type Certificates (STCs) secured include the following Gulfstream airframes:

- G650/650ER
- G600
- G550/GV/SP
- G450/GIV/SP
- G280
