About Gogo

Gogo is the global leader of in-flight connectivity and wireless in-flight digital entertainment solutions. Using Gogo's exclusive products and services, passengers with Wi-Fi enabled devices can get online on more than 1,900 Gogo equipped commercial aircraft. In-flight connectivity partners include American Airlines, Air Canada, AirTran Airways, Alaska Airlines, Delta Air Lines, Frontier Airlines, United Airlines, US Airways and Virgin America. In-flight entertainment partners include American Airlines, Delta Air Lines, Scoot and US Airways. In addition to its commercial airline business, Gogo has more than 6,500 business aircraft outfitted with its communications services.

Back on the ground, Gogo's 600+ employees in Itasca, IL, Broomfield, CO and London are working to continually redefine flying as a productive, socially connected, and all-around more satisfying experience. Connect with Gogo at www.gogoair.com, on Facebook at www.facebook.com/gogo and on Twitter at www.twitter.com/gogo.

About Virgin America

Headquartered in California, Virgin America offers guests attractive fares and a host of innovative features aimed at reinventing air travel. The airline's base of operations is San Francisco International Airport (SFO)'s sleek new Terminal 2. The airline's new aircraft offer interactive in-flight entertainment systems and power outlets near every seat. Virgin America offers Gogo™ WiFi on every flight and hosts the largest in-flight entertainment library in the North American skies via the touch-screen Red™ platform. For more: www.virginamerica.com
