Starting today, passengers will have unlimited access to [eBay](#) through Gogo's new multimedia platform, which will allow them to shop the more than 300 million listings on the site while they are above 10,000 feet. To access eBay, passengers can simply connect to Gogo using any Wi-Fi enabled device, open their browser and click on the eBay promotion on the homepage.

"By partnering with eBay, passengers can now shop a wide selection of listings on the site from 35,000 feet," said Ash ElDifrawi, Gogo's chief marketing officer. "eBay joins a growing list of top shopping and e-commerce sites that can be found on Gogo's multimedia platform; all of which can be accessed for free simply by connecting to Gogo and launching your Internet browser."

A complete list of partners and the airlines that you can find them on can be found on [here](#).

### About Gogo

Gogo is fast becoming everyone's favorite part of flying. By allowing travelers to get online, in air, Gogo keeps them connected to life.
