

## Aeromexico to Install 2Ku on Additional Boeing 737-800 Aircraft

February 16, 2018

CHICAGO, Feb. 16, 2018 /PRNewswire/ -- Gogo (NASDAQ: GOGO), the leading global provider of broadband connectivity products and services for aviation, announced today that Aeromexico will install 2Ku on an additional 9 Boeing 737-800NG's, bringing the total to 29 aircraft. Today, 20 of Aeromexico's 737-800NG aircraft are flying with Gogo's 2Ku inflight connectivity technology.

"Aeromexico was one of the first airlines to commit and deploy 2Ku and we are excited to extend our partnership and bring the industry's leading inflight connectivity solution to their passengers," said Dave Bijur, Gogo's SVP and regional president for the Americas.

"We are delighted to continue to work with Gogo to offer inflight connectivity access on even more flights across the Aeromexico network," said Andres Castañeda, Chief Marketing & Customer Experience Officer. "More and more passengers expect to be connected wherever they fly and we are delivering that capability on more and more aircraft."

The new aircraft are expected to be installed in 2018.

### About Gogo:

Gogo is the Inflight Internet Company. We are the leading global provider of broadband connectivity products and services for aviation. We design and source innovative network solutions that connect aircraft to the Internet, and develop software and platforms that enable customizable solutions for and by our aviation partners. Once connected, we provide industry leading reliability around the world. Our mission is to help aviation go farther by making planes fly smarter, so our aviation partners perform better and their passengers travel happier.

You can find Gogo's products and services on thousands of aircraft operated by the leading global commercial airlines and thousands of private aircraft, including those of the largest fractional ownership operators. Gogo is headquartered in Chicago, IL with additional facilities in Broomfield, CO and locations across the globe. Connect with us at [gogoair.com](http://gogoair.com).
