

Gogo Inc. to Participate in Citi Internet, Media & Telecommunications Conference on January 5, 2017

December 15, 2016

CHICAGO, Dec. 15, 2016 /PRNewswire/ -- Gogo (NASDAQ:GOGO), the global leader in providing broadband connectivity solutions and wireless in-flight entertainment to the aviation industry, announced today that it will participate in the Citi Internet, Media and Telecommunications Conference in Las Vegas on Thursday, January 5, 2017. Michael Small, President and Chief Executive Officer, is expected to present at 12:30 PM Pacific Time.

A webcast of the Citi Internet, Media and Telecommunications Conference will be available at the investor relations section of Gogo Inc.'s corporate web site at <http://ir.gogoair.com>.

About Gogo

With more than two decades of experience, Gogo is the leader in in-flight connectivity and wireless entertainment services for commercial and business aircraft around the world. Gogo connects aircraft, providing its aviation partners with the world's most powerful network and platform to help optimize their operations. Gogo's superior technologies, best-in-class service, and global reach help planes fly smarter, our aviation partners perform better, and their passengers travel happier.

Today, Gogo has partnerships with 17 commercial airlines and is installed on more than 2,800 commercial aircraft. More than 7,000 business aircraft are also flying with its solutions, including the world's largest fractional ownership fleets. Gogo also is a factory option at every major business aircraft manufacturer. Gogo has more than 1,000 employees and is headquartered in Chicago, IL, with additional facilities in Broomfield, CO, and various locations overseas. Connect with us at www.gogoair.com and business.gogoair.com.
