**ITASCA, IL. – February 17, 2012** – Gogo, a leading provider of in-flight connectivity and a pioneer in wireless in-cabin digital entertainment solutions, announced today that it has been selected as one of the World's 50 Most Innovative Companies by Fast Company.

### **About Gogo**

By allowing travelers to get online, in air, Gogo keeps them connected to life. Using Gogo's exclusive network and services, passengers with laptops and other Wi-Fi enabled devices can get online on all domestic AirTran Airways and Virgin America flights, on all domestic mainline Delta Air Lines flights and on select Air Canada, Alaska Airlines, American Airlines, Frontier Airlines, United Airlines, and US Airways flights.

Back on the ground, Gogo's 400+ employees in Itasca, IL, Broomfield, CO and London are working to continually redefine flying as a productive, socially connected, and all-around more satisfying experience.
